

PELLE KEEN

Pelle di bufalo conciata al cromo, sottoposta ad un processo di tintura all'anilina tramite botte e rifinita all'acqua, donando un aspetto uniforme. Morbida al tatto ed ideale per qualsiasi tipo di complemento d'arredo.

KEEN LEATHER

Chrome-tanned buffalo leather, subjected to an aniline dyeing process by means of a barrel and finished with water, giving a uniform appearance. Soft to the touch and ideal for any type of furnishing.
