

PELLE SUPER cat. 1

Pelle con spessore mm 0,9-1,1 e stampa Uruguay, esclusivamente di origine bovina e provenienza europea, accuratamente selezionata. Eventuali variazioni di grana, rughe, differenze di tonalità e cicatrici rimarginate, sono caratteristiche naturali della pelle che ne esaltano l'autenticità.

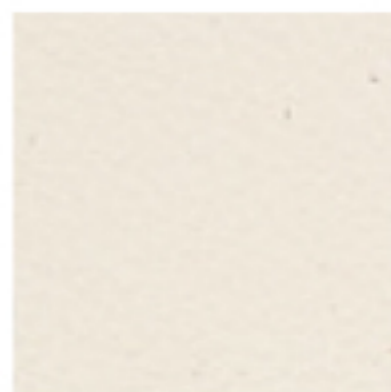

0,9-0,11mm thick leather and "Uruguay" print. All hides are of bovine origin and carefully selected from European producers. Variations in grains, folds, shade and tone variations, healed scars are natural characteristics of leather that prove its authenticity.
